While experiencing the gentle feeling
of the love in your heart
you feel a blissful sensation
of sincere joy and tenderness.

With the feeling of sincere joy
you live a life filled with happiness
and you love the magic of independent
growth and the feelings
that develop in your mind.

Sincere, pure joy
on the inside
creates a happy life filled
with love in your heart.

The magical inner power
of the feeling of perfect happiness
which you perceive through the feeling
of your heart creates sincere joy.

Beauty, happiness and firm health
are all tender parts of
experiencing sincere joy
in your clear and pure mind.

A pure, open mind
that experiences the feeling of happiness
is a masterpiece of emotion
filled with sincere joy.
